

Year In Review - 2024

A Year of Growth and Expansion

Since the chaotic year of 2024 has ended, it has become apparent that the business has enjoyed substantial growth in the last year. We have been blessed to have expanded our operations and product offerings throughout the period and have no doubt that these investments bode well for the future of the brand in South Africa.

New Products: Expanding Our Portfolio

Kirloskar Compressors

During 2024 Kirloskar South Africa became the appointed dealer for Kirloskar Pneumatic products in South Africa and surrounding regions. This versatile range of Diesel Driven Screw, Electric Screw and Waterwell Screw Compressors is sure to take the available market by storm in the coming years.

Kirloskar Chillers

During 2024 Kirloskar South Africa became the appointed dealer for Kirloskar Chiller products in South Africa and surrounding regions. This versatile range of Air Cooled, Water Cooled and Scroll Chillers definitely bring new and exciting challenges for the business, however, with the backing of our committed OEM we have no doubt these products will thrive in the future.

Kirloskar Engines

6K1080TA – 180kW Variable Speed Diesel Engine

- Our New 180kW Variable Speed 6K1080TA Diesel Engine was launched at the Electra Mining Exhibition in September 2024.
- This product has been earmarked to take the Flameproof Coal Mining Market and Increase our share in the PGM Mining Space.

K4300 Series Diesel Engines for Power Generation

- In October 2024 we received the first 1250kVA and 1500KVA versions of the K4300 Diesel Engine Series.
- These Products have expanded our power node offerings in the Power Generation sector providing reliable Stand By power covering 10kVA to 1500kVA Ratings.

Facility Expansion

This year also saw significant upgrades to our facilities to meet increasing demands:

Engine Rebuild Workshop: Equipped with a 7.5-ton overhead crane and covering 300m².

Entertainment Area & Showroom: A 600m² space for product displays and customer engagements.

Reception and Admin Block: Includes 10 new administration offices, a canteen, and a modern reception area.

Overflow Storage: An additional 450m² to accommodate increased inventory.

Facility Statistics

Storage: 4,000m² (+11.2%)

Offices: 770m² (+43.5%)

Workshops: 2,100m² (+15.0%)
